Geyer, Michael. “Germany, Or, the Twentieth Century as History.” *South Atlantic Quarterly* 96, no. 4 (1997): 663–702.
The German Democratic Republic, also known as East Germany was the part of Germany that the Soviet Union occupied after World War II. The part of Germany that the western allies occupied was West Germany. East Germany was a communist dictatorship throughout the Cold War. The USSR brutally suppressed an attempted uprising. The ordinary people had no freedom, were not allowed to emigrate and the STASI or secret police were widely feared.
