Dissertations and Theses - Sam Houston State University
Provides fulltext of dissertations from Sam Houston State University produced after 1996. Authorized users from SHSU may download copies free.

Early American Imprints, Series I. Evans (1639-1800)
Based on the renowned "American Bibliography" by Charles Evans and enhanced by Roger Bristol's "Supplement to Evans' American Bibliography," the collection was first published by Readex in cooperation with the American Antiquarian Society. For decades, the collection has served as the definitive resource of information about every aspect of life in 17th- and 18th-century America, from agriculture and auctions through foreign affairs, diplomacy, literature, music, religion, the Revolutionary War, slavery, temperance, witchcraft and just about any other topic imaginable.

Early American Imprints, Series II. Shaw-Shoemaker (1801-1819)
Books, pamphlets, broadsides and other imprints listed in the distinguished bibliography by Ralph R. Shaw and Richard H. Shoemaker. Covering every aspect of American life during the early decades of the United States, Early American Imprints, Series II (1801-1819) provides full-text access to the 36,000 American books, pamphlets and broadsides published in the first nineteen years of the nineteenth century. The continuation of Readex's Early American Imprints: Series I, this rich primary source database, based on the authoritative bibliography by Ralph R. Shaw and Richard H. Shoemaker and now supplemented by thousands of new items, allows students and scholars to explore the development of the American nation as never before.

EBSCOHost (All Databases) - English Version
Access the main menu of all the EBSCOhost databases SHSU subscribes to.

EBSCOHost (All Databases) - Spanish Version
Access the main menu, in Spanish, of all the EBSCOhost databases SHSU subscribes to.
databases SHSU subscribes to.

**EBSCOHost Electronic Journal Service**
Access to full text of all the online journals to which SHSU subscribes.

**Economic Literature (EconLit)**
Subject indexing and abstracts of journals and over 500 collective volumes per year, plus books, dissertations, and working papers related to economics.

The data is acquired from individual researchers, governmental agencies, polling agencies and international sources. ICPSR adds value by providing data in SAS, SPSS and Stata data files, converting codebooks to PDF and providing detailed descriptions of the studies. Some datasets are enhanced for use in ICPSR’s online Data Analysis System (from the ICPSR User Guide). Sam Houston State University’s membership in ICPSR is provided by the Office of Graduate Studies.
informational guide to ICPSR is available from the library.

**IEEE Computer Society Digital Library**
Includes online access to articles from 22 peer-reviewed journals and magazines with archives back to 1988, plus more than 1,200 conference proceedings with archives back to 1995.

**Index to Legal Periodicals & Books (Wilson)**
Index to Legal Periodicals & Books is a bibliographic database that cites articles from legal periodicals and law books. Periodical coverage includes law reviews, bar association journals, university publications, yearbooks, institutes, and government publications. Index to Legal Periodicals & Books covers all areas of jurisprudence, including recent court decisions, new legislation, and original scholarship.

Access is for a single user only. If someone else is logged in, please try again later. Please be sure to log out when finished.

**Information Science & Technology Abstracts**
Information Science & Technology Abstracts is a leading database in the areas of information science. ISTA indexes journal articles from more than 450 publications plus books, research reports, and conference proceedings and patents, with ongoing comprehensive coverage of the most important periodicals in this field. Coverage dates back to the mid 1960s.

**InfoTrac Custom Newspapers (state and national newspapers)**

**Ingenta**
The world's largest website for the search and delivery of research articles, ingenta.com offers you access to article summaries from over 20,000 publications linked to the full text of over 4,500 titles.

**Internet & Personal Computing Abstracts**
IPCA provides abstracts and indexing for literature related to personal computing products and developments in business, the Internet, the home, and all other applied areas. Over 400 of the most important trade publications, professional journals, and directories are indexed each year.
mainstream computer magazines, and professional journals are covered, including those that focus on specific topics such as Macintosh and Windows platforms, programming, web development and more.

J

**JCR : ISI Journal Citation Reports**
Journal Citation Reports is a comprehensive and unique resource tool that allows you to evaluate and compare journals using citation data drawn from over 7,000 scholarly and technical journals from more than 3,300 publishers in over 60 countries. It is the only source of citation data on journals, and includes virtually all specialties in the areas of science, technology, and social sciences. Journal Citation Reports can show you the:

- Most frequently cited journals in a field
- Highest impact journals in a field
- Hottest journals in a field
- Leading journals in a field
- Most published articles in a field

JCR is available annually in two editions. Only the editions and years that our institution subscribes to will display on the home page (currently only 2003).

- Science Edition: Contains data from over 5,700 journals in the areas of science and technology.
- Social Sciences Edition: contains data from over 1,700 journals in the social science.

**JSTOR**

L

**Legal Collection**
This database contains full text for nearly 250 of the world's most respected, scholarly law journals. The Legal Collection is an authoritative source for information on current issues, studies, thoughts and trends of the legal world.
LexisNexis Academic
Provides access to the full-text of hundreds of newspapers, magazines, journals, law reviews, legal cases, and public laws.

LexisNexis Congressional
Federal legislative research database that provides a searchable electronic version of the CIS/Index for legislative research from 1970 forward and the full-text of publications from the U.S. Congress, current Code of Federal Regulations and the current U.S. Code.

LexisNexis Statistical
Provides indexing to all statistics issued by the U.S. government since 1973 through CIS' American Statistics Index and provides the actual statistical tables for approximately 60% of the indexed information.

Library, Information Science & Technology Abstracts
LISTA indexes more than 600 periodicals, plus books, research reports and proceedings. Subject coverage includes librarianship, classification, cataloging, bibliometrics, online information retrieval, information management and more. Coverage in the database extends back as far as the mid-1960s.

Library Literature and Information Science Full Text (Wilson)
Library Literature & Information Science is a bibliographic database that indexes articles and book reviews of key library and information science periodicals published in the United States and elsewhere. Books, chapters in collected works such as conference proceedings, library school theses, and pamphlets are also indexed.

Access is for a single user only. If someone else is logged in, please try again later. Please be sure to log out when finished.

Library of Texas
The Library of Texas allows users to easily discover and retrieve desired information from multiple library catalogs, databases, and other knowledge collections. Texans no longer need to use a separate interface for each individual library or database. At present, the Library of Texas searches through the catalogs of 63 public libraries, 26 academic libraries, and 40 TexShare commercial databases.

Literary Reference Center
Literary Reference Center™ is a comprehensive database that provides users with a broad spectrum of
information on thousands of authors and their works across literary disciplines and timeframes. It has been specifically designed for public libraries, secondary schools, junior/community colleges, and undergraduate research. Literary Reference Center is a full text database that combines information from major respected reference works, books, literary journals as well as original content from EBSCO Publishing. Literary Reference Center contains full text for 27,500 plot summaries, synopses and work overviews, nearly 100,000 articles/essays of literary criticism, 140,500 author biographies (including 20,000 in-depth bios), 350 literary journals, 535,000 book reviews, 54,000 classic and contemporary poems, 14,500 classic and contemporary short stories, 4,000 author interviews, 8,400 classic texts and much more. In addition, Literary Reference Center also includes Merriam Webster's Encyclopedia of Literature, Continuum Encyclopedia of American Literature, Continuum Encyclopedia of British Literature, Continuum Encyclopedia of Children's Literature, The New Princeton Encyclopedia of Poetry and Poetics, Beacham's Research Guide to Biography and Criticism (six volumes), The Oxford Illustrated History of English Literature, The Literary Encyclopedia, The Columbia Companion to the 20th Century American Short Story, all of MagillOnLiterature Plus™, and much more.

**Literature Resource Center**

Literature Resource Center provides access to biographies, bibliographies, and critical analyses of authors from every age and literary discipline. Combining Gale Group’s core literary databases in a single online service, the Literature Resource Center covers more than 120,000 novelists, poets, essayists, journalists, and other writers, with in-depth coverage of 2,500 of the most-studied authors.

**Marcive Web Docs**

Provides access to citations and cataloging information for publications issued by the U.S. Government Printing Office. This includes U.S. government agencies and their departments. MARCIVE indexes Senate and House hearings, agency-sponsored studies, fact sheets, maps, handbooks, subject bibliographies, and conference proceedings dated 1976 to the present.

**MasterFILE Premier**

MasterFILE Premier provides full text for nearly 4,000 publications.
MasterFILE Premier provides full text for nearly 1,860 general reference, business, consumer health, general science, and multi-cultural periodicals. In addition to the full text, this database offers indexing and abstracts for nearly 2,780 periodicals. Full text backfiles go as far back as January of 1990, while indexing and abstract backfiles go as far back as January of 1984.

MathSciNet
A product of the American Mathematical Society MathSciNet is a comprehensive database indexing over 1800 world-wide scholarly journals in mathematics.

MedicLatina
a Spanish language collection of medical research and investigative journals published by renowned Latin American medical publishers. This unique database provides access to full text for nearly 100 peer-reviewed medical journals.

MEDLINE (via EBSCOHost)
Produced by the National Library of Medicine, MEDLINE includes indexing to over 14 million citations for biomedical articles back to the 1950's and from over 4600 scholarly and professional journals and provides authoritative medical information on medicine, nursing, dentistry, veterinary medicine, the health care system, pre-clinical sciences, and much more. Created by the National Library of Medicine, MEDLINE uses MeSH (Medical Subject Headings) indexing with tree numbers, tree hierarchy and explosion capabilities to search abstracts from over 4,800 current biomedical journals. Included are citations from Index Medicus, International Nursing Index, Index to Dental Literature, HISTLINE, SPACELINE, PREMEDLINE, AIDSLINE, BIOETHICSLINE, and HealthSTAR.

Mental Measurements Yearbook
Mental Measurements Yearbook, produced by the Buros Institute, contains fulltext information about and reviews of all English-language standardized tests covering educational skills, personality, vocational aptitude, psychology, and related areas as included in the printed Mental Measurements Yearbooks.

Access is for a single user only. If someone else is logged in, please try again later. Please be sure to log out when finished.

Merck Manual
The Merck Manual is one of the most popular general medicine resources on-line. This electronic version provides the same information as found in the 1999, 17th
print edition. There is both a search engine that generates a list of results pertaining to the subject, displayed in decreasing order of relevance; and a Table of Contents for browsing subjects.

Mergent Online

Mergent Online offers Internet access to information on 10,000 U.S. and 15,000 international companies, including annual reports, company histories, and financial data.

Access is for a single user only. If someone else is logged in, please try again later. Please be sure to log out when finished.

Middle Search Plus

provides full text for nearly 140 popular magazines for middle and jr. high school research. All full text articles included in the database are assigned a reading level indicator (Lexiles), and full text information dates as far back as 1990. Middle Search Plus also contains 84,011 biographies, 83,472 primary source documents, and an Image Collection of 192,999 photos, maps and flags.

Million Dollar Database

D&B Million Dollar Database provides the information professional, marketer and sales executive with information on over 1,300,000 U.S. leading public and private businesses. Company information includes industry information with up to 24 individual 8-digit SICs, size criteria (employees and annual sales), type of ownership, principal executives and biographies.

Important note: use of this database is restricted to one person at a time. If the database is in use, you will receive the following alert: "This User Name and Password is already in use". If you receive this alert, please try to access the database at another time.

Military and Government Collection

Designed to offer current news pertaining to all branches of the military and government, this database offers a thorough collection of periodicals, academic journals and other content pertinent to the increasing needs of these sites. The Military & Government Collection provides full text for nearly 400 journals and periodicals. The database also includes full text for 245 pamphlets and offers indexing and abstracts for more than 500 titles. Publications covered in this database include Air Force Comptroller, Army Reserve Magazine, Defence Studies, Global Security Review, JFQ: Joint Force Quarterly, Military Technology, National Review, Combat Edge, FBI Law Enforcement Bulletin, Foreign Affairs, Naval Forces,
and many more. Additionally, many full text titles are available in native (searchable) PDF, or scanned-in-color.

**MLA Directory of Periodicals**
Produced by the Modern Language Association of America, this directory lists periodicals indexed in the MLA International Bibliography. Periodicals relating to the areas of literature, language, linguistics, culture, and folklore are included. Entries for each title include editor, publisher, language, information about submission for publication, advertising rates, and copyright ownership. Search this database by keyword, subject, title, scope, ISSN, and more.

**MLA International Bibliography**
Provides over one million citations for items from over 4,000 journals and series published worldwide; indexes books, essay collections, working papers, proceedings, dissertations, and bibliographies; updated ten times per year.

**Music Index**
The Music Index surveys data from more than 640 international music periodicals and review new journals for possible inclusion. Topics concerned with every aspect of the classical and popular world of music are carefully categorized and organized according to the framework of an internal Subject Heading List. A broad range of subjects are indexed, covering musicological or organologic topics, plus book reviews, record reviews, first performances, and obituaries.

**N**

**Natural & Alternative Treatments**
The database contains almost two hundred articles on medical conditions, presenting in an evidence-based manner the alternative medicine therapies proposed for use in their treatment. It also contains detailed, evidence-based information on herbs and supplements, functional foods, and other alternative therapies such as acupuncture and homeopathy. The evidence-based content has been developed and reviewed by a team of physicians and pharmacologists with the goal of providing consumers with reliable information.

**NCJRS**
The National Criminal Justice Reference Service is the research library of the Department of Justice. This database provides summaries of more than 140,000 criminal justice publications including Federal State and...
criminal justice publications, including Federal, State, and local government reports, books, research reports, journal articles, and unpublished research. Many of the publications from 1995 forward are provided full text.

NetLibrary

Netlibrary is a collection of 45,000 + online books available to the SHSU community through library purchase and the efforts of Texshare. Books may be read online by clicking “View this eBook”. Netlibrary electronic books are identical to the print versions, with all titles represented in the library’s SamCAT online catalog. A free personal account may be set up within Netlibrary to save favorites or to create notes for books. Netlibrary may be searched as a database, with “Advanced Search” options for full-text and keyword searching across the entire SHSU collection of books.

New York Times (ProQuest Historical Newspapers)

The Historical New York Times offers full page and article images with searchable full text back to the first issue published in 1851 through 2001. The collection includes digital reproductions providing access to every page from every available issue.

Newspaper Source

provides selected full text for nearly 30 national (U.S.) and international newspapers. The database also contains full text television & radio news transcripts, and selected full text for more than 200 regional (U.S.) newspapers. This database is updated daily via EBSCOhost.

19th Century Masterfile

Indices to Nineteenth-Century Newspapers, Periodicals, Books and Government Documents.

19th Century U.S. Newspapers Digital Archive

This new database provides access to approximately 1.5 million pages of primary source newspaper content from the 19th century, featuring full-text content and images from numerous newspapers from a range of urban and rural regions throughout the U.S. The collection encompasses the entire 19th century, with an emphasis on such topics as the American Civil War, African-American culture and history, Western migration and Antebellum-era life among other subjects.

Nutrition Care Manual

The ADA Nutrition Care Manual (NCM), published by the American Dietetic Association for dietitians, dietetic technicians, and related health care professionals, provides a comprehensive source of research-based nutrition information and tools designed to be used in a
Nutrition information and tools designed to be used in a clinical setting.

Access is for a single user only. If someone else is logged in, please try again later. Please be sure to log out when finished.

Opposing Viewpoints Resource Center (OVRC)

OVRC draws on Greenhaven Press’ acclaimed social issues print series as well as other reference content to create a dynamic online library of current event topics: the facts as well as the arguments of each topic’s proponents and detractors. Opposing Viewpoints Resource Center’s unique features include Viewpoint articles — frameworks that allow students to explore each topic’s many facets — and Thomson Gale’s Information Plus series featuring statistics and government data placed in context.

Access is for two users only. If someone else is logged in, please try again later. Please be sure to log out when finished.

Oxford English Dictionary

The Oxford English Dictionary is the accepted authority on the evolution of the English language over the last millennium. It is an unsurpassed guide to the meaning, history, and pronunciation of over half a million words, both present and past. It traces the usage of words through 2.5 million quotations from a wide range of international English language sources, from classic literature and specialist periodicals to film scripts and cookery books.

Access is for a single user only. If someone else is logged in, please try again later. Please be sure to log out when finished.

Oxford Reference Online

ORO combines quick reference coverage of the full subject spectrum with the rich resources of the Oxford Companions from ready-reference to comprehensive scholarly articles. See the titles in Oxford Reference Online.

Access is for a single user only. If someone else is logged in, please try again later. Please be sure to log out when finished.

http://library.shsu.edu/research/databases/alphabetical.php
PapersFIRST
An index of papers presented at conferences worldwide.

Periodicals Archive Online
Covers: 1770 - 1995. Formerly PCI Full Text. Updated annually. Indexes over 10.75 million articles in 3,142 journals. The scope is international and multi-disciplinary, including journals in English, French, German, Italian, Spanish and other Western languages. Includes full image of over 350 journals and the archive will continue to grow each year.

Philosopher's Index
PI covers all major fields of philosophy such as aesthetics, epistemology, ethics, logic, metaphysics, etc., and philosophy of related interdisciplinary fields such as education, history, law and religion. Contains citation information and author-written abstracts for journal articles, books, contributions to anthologies, and book reviews, published from 1940 to the present. Indexes over 560 journals from more than 40 countries in 30 languages.

Access is for a single user only. If someone else is logged in, please try again later. Please be sure to log out when finished.

Physical Education Index
Physical Education Index provides indexing and abstracts to over 340 journals and magazines, with subjects ranging from physical education curricula, to sports medicine, to dance. Other coverage includes sport law, kinesiology, motor learning, recreation, standardized fitness tests, sports equipment, business and marketing, coaching and training, and sport sociology/psychology.

Polling the Nations
Polling the Nations is a compilation of more than 14,000 surveys conducted by more than 700 polling organizations in the United States and more than 80 other countries.

Population Index
Updated annually. Covers all fields of interest to demographers. Contains selective indexing with abstracting from journals, books, working papers, doctoral dissertations and other sources. (user's guide).

Primary Search
provides full text for nearly 70 popular, magazines for
elementary school research. All full text articles included in the database are assigned a reading level indicator (Lexiles), and full text information dates as far back as 1990. This database is updated daily on EBSCOhost.

ProceedingsFIRST
An index of worldwide conference proceedings.

Professional Development Collection
Designed for professional educators, this database provides a highly specialized collection of nearly 550 high quality education journals, including more than 350 peer-reviewed titles. This database also contains more than 200 educational reports. Professional Development Collection is the most comprehensive collection of full text education journals in the world.

Project MUSE
Project Muse is a collection of over 100 full-text journals, with 13 journals in the subject areas of general science, philosophy and science, medicine and health, and mathematics.

PROLA/Physical Review Online Archive
PROLA is The American Physical Society's Physical Review Online Archive. The majority of the collection consists of scanned images of the printed journals available as either GIF images or as PDF files. The complete archive consists of all of Physical Review back to 1893, all of Physical Review Letters back to 1958, Physical Review Special Topics from 1998 to present, and all of Reviews of Modern Physics back to 1929.

PsycINFO (Ebsco)
PsycINFO(R) contains citations and summaries of journal articles, book chapters, books, and technical reports, as well as citations to dissertations, all in the field of psychology and psychological aspects of related disciplines, such as medicine, psychiatry, nursing, sociology, education, pharmacology, physiology, linguistics, anthropology, business, and law.

Psychiatry Online
PsychiatryOnline is a powerful web-based portal that features DSM-IV-TR®—the most widely used psychiatric reference in the world—and The American Journal of Psychiatry as the cornerstones of an unsurpassed collection of psychiatric references from American Psychiatric Publishing, Inc., the most trusted and respected name in psychiatric publishing.
RCLNet - Resources for College Libraries
RCL is the result of a unique collaboration between Choice, a publishing division of ACRL, and bibliographic authority Bowker. RCL is considered the long-awaited successor to the third edition of Books for College Libraries, published in 1988.

Readers' Guide Full Text (Wilson)

Access is for a single user only. If someone else is logged in, please try again later. Please be sure to log out when finished.

Readers' Guide Retrospective (1890-1982) (Wilson)
Readers' Guide Retrospective is a database containing comprehensive indexing of the most popular general-interest periodicals published in the United States and reflects the history of 20th century America.

Access is for a single user only. If someone else is logged in, please try again later. Please be sure to log out when finished.

Refworks
RefWorks is a web-based citation manager. Import citations from SamCat and other online databases or type in information directly. Then use RefWorks when writing papers to format citations and create your bibliography.

Please be advised that Internet Explorer 7 users may experience extreme slowness when using RefWorks. This is due to IE's Phishing Filter (a new feature to IE7) that evaluates web page contents. Microsoft has a downloadable patch that can rectify this. You can download the patch here: http://support.microsoft.com/default.aspx/kb/928089

Regional Business News
This database provides comprehensive full text coverage for regional business publications. Regional Business News incorporates coverage of 75 business journals, newspapers and newswires from all metropolitan and rural areas within the United States. This database is updated on a daily basis.

Religion & Philosophy Collection
This database provides extensive coverage of such topics
This database provides extensive coverage of such topics as world religions, major denominations, biblical studies, religious history, epistemology, political philosophy, philosophy of language, moral philosophy and the history of philosophy. Religion & Philosophy Collection offers more than 300 full text journals, including more than 250 peer-reviewed titles, making it an essential tool for researchers and students of theology and philosophical studies. This database is updated daily via EBSCOhost.

Research InSight on the Web
Research Insight on the Web delivers Standard & Poor's company information and sophisticated analytic content directly to Microsoft® Excel users through the Internet. **THIS IS NOT A WEB-BASED DATABASE LIKE BUSINESS SOURCE COMPLETE**, this database is an Excel plug-in, which can be accessed from on campus by going to the "Library Resources Installation Menu" to install the plugin. Once installed, you will have a new menu option within Excel called "RI Web Tools".

**RIA Checkpoint**
**Students must log in here (Request an RIA login) to request a username/password to gain access to the Ria Checkpoint database.** Once the required information is filled out and sent in by the student, an e-mail will be sent to the e-mail address provided by the student. The e-mail will contain a username and password to access Checkpoint. This will NOT be your campus username/password, but one given to you directly by RIA. To access the database click on the name (Ria Checkpoint in blue) up above.

**S**

**Safari Tech Books Online**
Safari is an electronic reference library for programming and IT professionals. The searchable full-text contents of 4700 books selected for SHSU are available online.

**ScienceDirect**
ScienceDirect is the world's largest scientific, technical and medical database, with over 59 million citation abstracts. ScienceDirect also provides full-text access to over 200 journals in various science disciplines.

**Science & Technology Collection**
The Science & Technology Collection contains over 800 leading full text journals covering relevant aspects of the scientific and technical community. Topics include aeronautics, astrophysics, chemistry, computer...
SciFinder Scholar

SciFinder is a client server application that can be found on your computer by going to **START, then ALL PROGRAMS, and then opening LIBRARY RESOURCES.** You may run the program at this point or create a shortcut for your desktop for easy access. Each time you login to SciFinder Scholar you will be asked to Accept or Decline the CAS Information Use Policy. When the database is in use you will receive a message that there are too many concurrent users, please try again later. SciFinder Scholar developed for academic institutions by the Chemical Abstract Service provides access to:

- **CAplus,** the Chemical Abstracts database back to 1900
- **CAS Registry,** the database of organic and inorganic substances and biosequences
- **CASREACT,** information on reactions from journal literature and patents
- **CHEMLIST,** database of compounds developed from state, national and international regulatory lists
- **CHEMCATS,** lists of international commercial suppliers
- **Medline,** the National Library of Medicine’s database
- References from over 9,500 currently published journals and patent information from more than 50 active patent issuing authorities
- The latest scientific breakthroughs almost as soon as they are published with references added daily and some patent information as recent as two days ago
- Complete coverage of chemistry and life sciences including biochemistry, biology, pharmacology, medicine, and related disciplines

**Scribner Writers Series**

Gain access to 1,600 original and detailed bio-critical essays on the lives and works of important authors from around the world. Many authors in the Scribner Writers Series are seen from multiple perspectives through two, three or sometimes four essays. Students can go directly to an entry on a specific author, combine search criteria for a much more complex search, or explore thematic and chronological topics to make connections among writers.

**Serials Directory**

provides access to the most up-to-date and accurate bibliographic information as well as current pricing
structures for popular serials. This database contains nearly 184,000 U.S. and international titles, including newspapers, historical data for an additional 20,000 titles and data from nearly 83,500 publishers worldwide.

**Social Sciences Full Text (Wilson)**

Access is for a single user only. If someone else is logged in, please try again later. Please be sure to log out when finished.

**Social Services Abstracts**

CSA Social Services Abstracts provides bibliographic coverage of current research focused on social work, human services, and related areas, including social welfare, social policy, and community development. The database abstracts and indexes over 1,500 serials publications and includes abstracts of journal articles and dissertations, and citations to book reviews.

**Sociological Abstracts**

CSA Sociological Abstracts abstracts and indexes the international literature in sociology and related disciplines in the social and behavioral sciences. The database provides abstracts of journal articles and citations to book reviews drawn from over 1,700 serials publications, and also provides abstracts of books, book chapters, dissertations, and conference papers. Records added after 1974 contain in-depth and nonevaluative abstracts of journal articles. (The interface for this database is provided by Cambridge Scientific Abstracts (CSA) rather than by SilverPlatter.)

**SPIN Web (Searchable Physics Information Notices)**

The SPIN database (Searchable Physics Information Notices) produced by the American Institute of Physics provides the most current indexing and abstracting of more than 100 major physics, astronomy, and engineering journals and conference proceedings. It provides access to over 1 million abstracts and is updated daily. Approximately 50,000 new records are added annually.

**Standard & Poor's NetAdvantage**

This searchable database is a comprehensive source of business and investment information, offering on-line access to popular Standard & Poor's research products such as Industry Surveys, Stock Reports, Corporation Records, The Register of Corporations, Directors and Executives, The Outlook, Mutual Fund Reports among
Executives, The Outlook, Mutual Fund Reports among others. It includes export tools so that data can be downloaded into spreadsheet programs for further analysis.

STAT-USA
STAT-USA/Internet, a service of the U.S. Department of Commerce, is the site for the U.S. business, economic and trade community, providing authoritative information from the Federal government. This database is accessible only in the Library. During weekdays go to Government Documents Department for access, weekend access is available at the Reference Desk. Outside of Huntsville, access is available through a Federal Depository Library. Click here to locate a Federal Depository Library.

STNEasy
STN Easy provides access to the leading chemical indexing database, Chemical Abstracts, and CA Registry. The use of this database is restricted to faculty, upper division and graduate students within the Department of Chemistry.

Tests in Print
Produced by the Buros Institute of Mental Measurements at the University of Nebraska, Tests in Print (TIP) serves as a comprehensive bibliography to all known commercially available tests that are currently in print in the English language. TIP provides vital information to users including test purpose, test publisher, in-print status, price, test acronym, intended test population, administration times, publication date(s), and test author(s). A score index permits users to identify what is being measured by each test. Tests in Print also guides readers to critical, candid test reviews published in the Mental Measurements Yearbook (MMY) series.

Access is for a single user only. If someone else is logged in, please try again later. Please be sure to log out when finished.

Texas Digital Sanborn Maps
Produced over a century, more than 660,000 Sanborn maps chart the growth and development of more than 12,000 American towns and cities, of which we have access to scanned images of maps from 1867-1970 of more than 400 Texas towns and cities. Sanborn maps are large-scale plans of a city or town, drawn at a scale of 50
feet to an inch. They were created to assist fire insurance
companies as they assessed the risk associated with
insuring a particular property. The maps list street blocks
and building numbers in use at the time the map was
made and previous numbers.

Texas Reference Center
Texas Reference Center includes more than 80 full text
journals and books about Texas history, ethnic & cultural
diversity, gender studies, literature, public health,
business as well as home & garden and sports & leisure.
The database contains biographies portraying famous
historical and contemporary Texans such as George
Herbert Walker Bush, Lady Bird Johnson, Dan Moody,
Susanna Dickinson and Sam Houston. Also available in
the Texas Reference Center is the Spanish-language
newspaper El Sol de Texas with Texas and national news
coverage. This EBSCOhost database is updated weekly.

ThomasNET(Thomas Register)
Thomas Register on the Internet includes both American
and Canadian companies. 156,914 companies and 7,782
online supplier catalogs and web links are found in
Thomas Register.

The Times of London Digital Archive (1785-1985)
The Times Digital Archive, 1785-1985 delivers every
page as published from 200 years of The Times
(London). The Times is the "world's newspaper of record"
and covers all major international historical events from
the French Revolution to the Falkland War. For the first
time users are able to search the full-text of the entire
newspaper, including articles, editorials and advertising.

TOPICsearch
This current events database allows researchers to
explore social, political & economic issues, scientific
discoveries and other popular topics discussed in today's
classrooms. TOPICsearch contains full text for over
102,800 articles from more than 2,500 diverse sources,
including more than 1,550 full text periodicals.

Twayne's Authors Series
The Twayne's Authors Series of literary criticism offers in-
depth introductions to the lives and works of writers, the
history and influence of literary movements and to the
development of literary genres. This online series
features the content of nearly 600 books that comprise
three print series --United States Authors, English
Authors and World Authors.

Twentieth Century American Poetry
This collection includes 50,000 poems drawn from 750
volumes by over 300 poets. This unparalleled collection includes 52,000 poems drawn from 750 volumes by over 300 poets, including Adrienne Rich, Andrei Codrescu, Ezra Pound, William Carlos Williams, Denise Levertov, Wallace Stevens, Langston Hughes, Lucille Clifton, and Cathy Song. The majority of the poems included are copyright works specially licensed from print publishers such as New Edition, City Lights Books, Houghton Mifflin, W. W. Norton and Yale University Press. The collection reflects the variety and dynamism of American poetic voices in this century of change: all major movements and schools are represented, from the traditionalism of Robert Frost to the modernism of H.D. (Hilda Doolittle), the confessional poetry of Anne Sexton to the proletarian poems of Muriel Rukeyser. The Imagists, Beat Poets, Harlem Renaissance, Black Mountain and Deep Image schools are all featured. In addition, many contemporary writers of the 1980s and 90s who have gained recognition through national poetry awards or inclusion within leading print anthologies, are also represented.

Twentieth Century English Poetry
A collection of 598 volumes of poetry by 283 poets from 1900 to the present day. Offers online access to the poetry of some of the greatest writers of the twentieth century. It incorporates the works of 285 of the most widely studied poets of the British Isles and beyond, including over forty distinguished authors from The Faber Poetry Library. Authors include the established and canonical such as Yeats, Housman, Lawrence, Sassoon, Eliot, Plath, Ted Hughes and Seamus Heaney, popular and accessible figures such as Kipling, Betjeman and Wendy Cope, lesser known but important names like William Empson and W.S. Graham and, among prominent contemporaries, Simon Armitage, Eavan Boland and Carol Ann Duffy. Many of the major themes of 20th century writing -- nationality, politics, war, sexuality, religion and gender -- can be understood anew through this vast and representative collection.
Urban Studies Abstracts
Urban Studies Abstracts includes bibliographic records covering essential areas related to urban studies, including urban affairs, community development, urban history, and other areas of key relevance to the discipline. The index contains 40,000 records, which are carefully selected from the most important sources within the discipline, such as: Urban Affairs Review, Urban studies, Journal of Urban Affairs, etc. EBSCO has digitized the full archive of this index, bringing coverage back to 1973.

V

Vocational & Career Collection
Vocational & Career Collection is designed for vocational and technical libraries servicing high schools, community colleges, trade institutions and the general public. This collection provides full text coverage for more than 350 trade and industry-related periodicals.

W

Westlaw Campus
Westlaw campus provides access to cases from the courts of all 50 states and the federal courts, statutes from all 50 states and federal statutes. Contains full text of American Law Reports and numerous law reviews. This is the best place to start legal research.

Wilson OmniFile Full Text, Mega Edition

World Almanac
Offers a fundamental reference source for students, library patrons, library reference staff, and scholars alike. Includes biographies, encyclopedia entries, facts, and statistics.
WorldCat
The WorldCat database contains more than 54 million records describing items owned by your library or libraries around the world. Each record contains library holdings. Includes the following types of items: books, journals, musical scores, computer data files, magazines, newspapers, computer programs, manuscripts, sound recordings, films and slides, maps, videotapes.

World History Collection
offers a global look at history with content from Africa, Asia, North and South America, Europe and the Middle East. World History Collection contains cover-to-cover full text for nearly 150 titles, including many peer-reviewed journals. Full text dates as far back as 1964.

World News Connection
World News Connection, compiled from thousands of non-U.S. media sources, offers an extensive array of translated and English-language news and information covering significant socioeconomic, political, scientific, technical, and environmental issues worldwide.

WorldScope
Financial reports on companies worldwide derived from corporate annual and 10K reports, disclosure statements, newspapers, and wire services. Each record includes a description of the business, selected financials, key ratios, and officers; updated weekly.

CredoReference (formerly XreferPlus)
Credo is a giant online reference library that provides access to over 200 reference books including encyclopedias, dictionaries, thesauri and books of quotations, and a range of subject-specific titles covering everything from art to accountancy and literature to law. See the titles in Credo.
