Nielsen is an index component of the Dow Jones Sustainability Indices (DJSI) North America Index. Launched in 1999, the DJSI were the first global indexes tracking the financial performance of leading sustainability-driven companies worldwide. FTSE Russell (the trading name of FTSE International Limited and Frank Russell Company) confirms that Nielsen Holdings has been independently assessed according to the FTSE4Good criteria, and has satisfied the requirements to become a constituent of the FTSE4Good Index Series. Created by the global index provider FTSE Russell, the FTSE4Good Index Series Frank Nielsen. About publications (13) network. Publications 13. Publications by authors named “Frank Nielsen”.
