A rainbow of friends does justice to the topic with its illustrations. The pictures represent difference and express the ability to get along with one another. Although not broadly This book is perfect for children. A Rainbow of Friends is a fictional picture book targeting children ages 3 to 5. The story presents a realistic scenario about children of all walks of life; children of various ethnicity, appearances, abilities and disabilities and personalities. The story illustrates that children with disabilities and challenges still enjoy companionship & activities like non-disabled children.
A Rainbow of Friends Paperback October 13, 2005. by P.K. Hallinan (Author). Bought this book because my little one started asking questions about looking different and why some friends wore certain things. Have to say this book made it such an easier conversation. Read more.
